My favorite part about DigiLibraries.com is that you can click on any of the categories on the left side of the page to quickly see free Kindle books that only fall into that category. It really speeds up the work of narrowing down the books to find what I'm looking for.

### High School Diploma Test Answers

If you don't have a high school diploma, consider taking the GED (General Educational Development) exam. The GED is a series of four tests (covering language arts, social studies, science, and math) that evaluate your abilities at the high school level. If you pass the test, you earn a high school equivalency diploma. The key [...]

### GED Test For Dummies Cheat Sheet - dummies

The GED is not the same as a high school diploma. A GED is a series of tests that measures your ability in five subject areas to show if you have a high school level education. A high school diploma is just that; a piece of paper stating that you have passed all of your required classes and are done with school.
