Write It Out Journal Workshops Workshop I: Write It Out: The Journal as a Tool for Growth and Lasting Change. The central focus of this Workshop involves the Big Questions in our lives. We employ kinesthetic, sensory, and other methods in combination to access multiple sources of creativity and self-knowledge.

Write It Out Journal Workshops

The workshop starts with a two-hour session at Thoreau Farm. In these morning hours we will introduce the Journal and participants will learn skills necessary for impactful journal writing. After a lunch break, we will visit the exhibition This Ever New Self: Thoreau and His Journal at the Concord Museum. Following our visit, our 'journalists' will share their impressions of the exhibition and partake in a two-hour creative writing session at the Thoreau Institute.

Ira Progoff's purpose in creating the Intensive Journal workshops on which this book is based was to give others a language and a process for reflecting on and deepening the meaning of their lives. We have many tools handed to us in At a Journal Workshop-each with a specific shape and function, and each with a full set of instructions on its use. This is a strange, wonderful and complex approach for journey/journal-ing, using methods the author has taught and evolved over the last 40 years.
